Two lines will have their routes revised to make all this possible. With abandonment of the 85 SHOPPER SHUTTLE's lightly patronized Civic Center-Downtown service will be altered slightly, and the 19 POLK's S. P. Depot branch will be shifted to Harrison Street to serve the Hall of Justice.

If you formerly caught the 85 on Grove by the Opera House, or at Polk and Hayes, you will probably find it more convenient to catch the 84 at Polk and Golden Gate by the Federal Building.
